Dear Parents,

I have to start by apologizing for some inaccurate information in my last newsletter. On the symptoms low-risk list, I accidentally put **TWO** low-risk symptoms means you stay home for at least 24 hours and until the symptoms subside and it should have read **ONE** low risk symptom and you stay home for 24 hours until the symptom subsides. Low risk symptoms include: sore throat, headache, fever above 100.4, congestion/runny nose, nausea/vomiting/diarrhea, cough, fatigue/muscle aches. I am so sorry if I created any confusion.

We are getting into a groove now that we have two full weeks under our belts. I truly appreciate all the help from our school community. Parents have been so diligent about watching symptoms and calling the school with questions or for advice. We have been also watching the Air Quality Index each day and keeping students inside when necessary.

Thank you for all the parents working on the Ice Cream Social, which will take place on Thursday September 2nd. We are looking forward to seeing everyone!

We will have parent volunteers on campus after Labor Day. You received an email with the criteria for volunteering in classrooms. We are not having parents eat lunch with the children down in the lunch area this year.

Thank you to everyone who brought donations for the evacuees at Camino School. We had a truck full of supplies by Friday afternoon!

I know it is very easy to absorb the seriousness of everything going on around us. It is heavy, there is no way around it. Just remember we are all here to support each other, and we have so much to be grateful for in our community. I can tell you that your children laugh, and play, and learn every day. There are many wonderful things happening in and around our community every single day, we just need to remember to take notice and be a positive force in the lives of children and our community.

Sincerely,

Michele Williamson

5:00-7:00

IMPORTANT - BUS GATE CHALLENGES

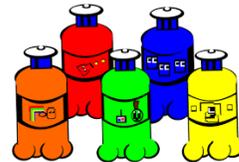

The bus driver is having a difficult time coming up through the bus gate in the afternoon. If you park in the lower parking lot, please make sure to pull all the way forward in your parking spot. If you are parallel parking please make sure to pull as far to the right as possible. This gives our bus driver room to maneuver the bus through the cars on both sides of the street.

Water Bottles

Please make sure to have your student bring a water bottle with them to school daily.

It will be incredibly helpful to have your child's name clearly labeled on their water bottle

Please stay off the hill leading down to the lower parking lot. There may be poison oak or rattle snakes, and also a potential of tumbling down the hill.

Student Store:

Mrs. Steffano's Class is sponsoring a Student Store Tuesday, Wednesday and Thursday, August 31st – September 2nd. Before and after school in front of the library. Profits from the store will go to the Caldor Fire victims.
