Dear Parents,

State testing has begun and we are off to a great start. Thank you teachers and parents for being so supportive and encouraging of our students

As this school year comes to a close, I want to thank all of the parents at Jackson School for another wonderful year. You have been incredibly helpful in classrooms and at school events. In addition, many of you have spent countless hours working on planning and preparing for PTO functions. A special thank you to Jamie Shaieb and Kate Graves-Mercado our PTO Presidents. They take their job very seriously and have worked extremely hard this year coordinating all of the sub-committees on the PTO Board. The PTO events this year have been fantastic and well attended by families. Our PTO has really focused on building our sense of school community and making connections among families and I want to thank them for their efforts.

There is a great deal going on these last few weeks. Be sure to check the calendar of events in the newsletter so you don't miss any special activities. Thank you again for being our partners in education as we help our children prepare for a bright future!

Sincerely,

Michele Miller
