Practice 8:00
- Sept. 13 X-Country Meet
@ EDH CSD
- Sept. 14 Jr. Jag 7:40-8:40
Fire Drill

Dear Parents,

I want to thank you for your contributions to our Power the Paw Donation Drive. This is one of two fundraisers that is sponsored by our PTO. These funds go toward providing a host of experiences for our children. They support our school garden, music program, resources for curricular enrichment, PE equipment, books for our library, and so much more.

PTO sponsors special events on campus as well. One such event is taking place today. All of our fourth grade students will be going through an empathy building workshop for half of the day today called, "A Touch of Understanding". Children will go through a variety of hands on experiences that mimic what it is like to go through life with a disability. While this workshop is meant to sensitize children to what it feels like to have a variety of challenges that many people face every day, it also includes guest speakers with disabilities who talk to the children about their careers and the contributions they make to our society. It is a powerful workshop- ask your fourth grader about it this weekend!

Fall Festival is right around the corner! I know the Fall Festival team is looking for parent helpers the night of Fall Festival. The shifts are only 1.5 hours, so you can still join in the fun with your family! If you can help, please reach out to our PTO.

Thank you to all of you who do so much for our school and our children. This school is a safe, loving place to come to school with many opportunities for children to learn and thrive. This happens because of the contributions that are made by many adults. Our staff works diligently to provide a high quality education for our students in a nurturing environment. Our parents are involved at every level, helping in classrooms and at school events. I thank you all for your dedication, because what you do now will last a lifetime for our children.

Sincerely,

Michele Miller

ONE WAY TRAFFIC THRU BUS GATE:

Traffic through the bus gate is one-way only. Please **do not** come up through the bus gate from the neighborhood below. The street is narrow and with the buses coming up and traffic coming down the hill it is a crowded area. It presents a safety hazard for our students if cars are coming through the gate from both directions.

Picture Day

September 19th

Cross Country Meets:

Sept 6th @ Lake Forest
Sept 13th @ EDH CSD
Sept 20th @ EDH CSD
Sept 26th @ Rescue
Oct 10th Placerville Fairgrounds (TBD)

Labor Day Weekend:

No School Monday 9/3
Staff Development 9/4
