Dear Parents,

The PTO did an amazing job this morning for Pastries with Parents. What a darling theme! It was so festive, on a clear, beautiful fall morning. We had a great turnout and I heard many compliments directed at the Community Committee for the outstanding job they did for this event.

Conference week is quickly approaching. Please be sure you have set an appointment with your child's teacher. It is a great time to connect personally with your child's teacher to celebrate your child and it gives you a chance to ask any questions that you might have been thinking about.

Basketball tryouts are coming up – check out the calendar in this newsletter!

Thank you to our Volleyball coach, Chris McFadden and to all the parents who assisted him with coaching. The students had a great time!

We have our Santa Run date from the EDH Fire Department! Our visit from Santa will be on December 7th at 5:50 pm. Watch for details from our PTO.

Finally, happy fall! It is that time of year when we reflect and find gratefulness in all of the small wonderful things that happen every day. I am lucky to experience that all day long, every Monday through Friday. Our little corner of the world at Jackson School is a very special place to spend our days. I am incredibly grateful that I get to retreat into that world during the majority of my week.

Most Sincerely,

Michele Williamson
